

## Vermont WIC Approved Products List

Effective October 1, 2016

[changes highlighted in yellow]

The foods listed below are approved by Vermont WIC. **Foods listed below qualify for compliance** with Vermont WIC's Minimum Inventory standards for retail vendors.

USDA/FNS, with the assistance of the Institutes of Medicine, has established **guidelines** that state WIC programs must follow in selecting foods for the state's Approved Products List. To review the guidelines, go to: [www.fns.usda.gov/wic/wic-food-packages-regulatory-requirements-wic-eligible-foods](http://www.fns.usda.gov/wic/wic-food-packages-regulatory-requirements-wic-eligible-foods)

Some quantities and sizes in this list (e.g. 16 oz loaves of bread) are dictated by the FNS standards for WIC food packages.

**To request that a food be added** to an "any brand" category of the Vermont WIC Approved Products List (APL), please review the proposed food items against the USDA/FNS standards first. If you believe the food would comply, following the directions found here, to submit your suggestion:

[http://healthvermont.gov/wic/documents/Missed\\_UPC\\_guidance.pdf](http://healthvermont.gov/wic/documents/Missed_UPC_guidance.pdf)

Vermont WIC accepts NEW food items for consideration during the open submission timeframe beginning December 1, 2016 and closing March 31, 2017. Guidance can be found here:
